Sir,

Sub - Repayment of the deposit made by the Council with the Health Office Co-operative Society Ltd.,

---

A sum of Rs 2,000/- was advanced on 15-6-43 at 4½% interest as a measure of encouragement to the Health Office Co-operative Society, Working exclusively for the benefit of the Health Office Employees As such an assistance was felt not necessary, the Society was asked to repay the amount. In reply the Secretary of the Society requested for continuance of the deposit and offered as security post Office National Savings Certificates to the value of Rs 1700/-. It was further found that an interest of 3% is only being recovered for the amount advanced ever since, on the strength of the Council resolution No.755 dated 27-4-45 (copy enclosed) making it applicable to this Society also.

Hence the question of insisting repayment of the deposit at Rs.50/- p m. and recovery of 3% interest only as in the case of Ml. and Trust-Board Co-operative Societies, (about which a reference has already been made to you in this office letter No.C2,P R.153-550/54-5 dated 22-10-54) was placed before the Managing Committee and the Council at their meetings held on 25-10-54 and 5-11-54. The proposal was duly approved with the modification that in default of payment of any two consecutive instalments, the entire amount becomes due and should be recovered
